TANAH LOT is a popular tourist destination in [Bali, Indonesia](#). It is a rock formation off the coast of [Tabanan](#) that is home to the Tanah Lot Temple, one of Bali's most iconic landmarks. The temple is dedicated to the Hindu gods of the sea, and is known for its stunning sunset views.

The temple is situated on a large rock formation that is accessible only during low

tide. Visitors can cross a small bridge to get to the temple and explore the surrounding area. There are also several shops and restaurants nearby that offer a variety of souvenirs, snacks, and meals.

Tanah Lot is also known for its beautiful coastline and rugged cliffs, which offer stunning views of the ocean. There are several areas along the coast that are popular for surfing, including nearby beaches such as Kedungu and Canggu.

Overall, Tanah Lot is a must-visit destination for anyone traveling to Bali, whether for its cultural significance, natural beauty, or surfing opportunities. ([Destinasi](#))
